

**Visit of the students of the JM School "El Cuco",  
Jerez de la Frontera, Spain on 6<sup>th</sup> April 2017.**

We had the joy of hosting some thirty students of 1st and 2nd year of Bachillerato accompanied by three teachers.

As the part of their general visit, they had a moment of silent prayer, followed by our Lord's Prayer in the Chapel; saw the archives in the presence of Mrs. Alessandra Merigliano, our archivist.

They were all very interested in the various documents, in particular the letter of the Brothers of Claudine.

Then some snacks in our refectory and a moment in the garden for some photos. They were very kind and grateful for their visit.
