6th October 2016
Rome

“Life itself is a pilgrimage, and the human being is a viator,
a pilgrim travelling along the road, making his way
to the desired destination”

Day 3

Early this morning, before the sunrise, we started our pilgrimage, a day of contemplation and gratitude. We were blessed to have the Eucharistic celebration at the tomb of St Peter. The mass was presided by Monsignor Jorge Carlos Patron, Mexican Archbishop, at present the Secretary for the Seminarians for the Congregation of Clerics.

After the Mass, sisters dispersed in groups or in person, began a profound pilgrimage to the papal basilicas of Rome (St Peter in the Vatican, St. John Lateran, St. Mary Major, and St. Paul outside the wall, and they passed through the Holy Doors of Mercy with joy, confidence and profound desire for authentic conversion.

They returned at 6 pm to share the experiences in different groups of prayer. We placed at the feet of St. Claudine the preoccupations and pain of each province, and we listened to the voice of the Spirit that impulses us to live in confidence, love and service.

At the end of the day, the Community was waiting for us with delicious food and desserts.

Together, walking through the history of the Humanity, the history of the Church and the 198 years of the foundation of our Congregation, we say once again: HOW GOOD GOD IS!
