TO ALL THE RELIGIOUS OF THE CONGREGATION

My dear Sisters,

We wish you a Very Happy Feast of our dear St. Claudine.

We are all immersed in preparing for the 37th General Chapter in one way or another; it might be helpful to recall to mind that the 36th General Chapter presented us with Claudine and the 3 Priorities. This has inspired us at personal, community and apostolic levels.

The Bicentenary celebrated **CLAUDINE – a woman of faith, pardon and communion.**

And now, we wish to continue with Claudine on **our Journey with Hope as one Apostolic Family.**

Let us contemplate the above images: what desires, calls, challenges, feelings well up within, as we journey towards G.C. 37?

May Our Lady of the Visitation together with St. Claudine, help us to live deeply and profoundly our charism - today, tomorrow and into the future. Amen.

The General Govt. joins me in wishing each one of you, your families, the AFJM members and Staff:

A VERY HAPPY FEAST DAY!!!

BLESSED DINA: On this significant day, we would like to share with you some good news. Nicanor, a man from Cameroun living in Quebec City was unconscious and “dead” for 45 minutes. His wife, Beatrice as well as many sisters prayed incessantly to Blessed Dina and Nicanor recovered from this trial. The doctors accepted to sign the description of **the facts** and handed out to us the medical files. The doctors added that they are not the ones to decide whether this reanimation comes from science or from heaven. The material needs to be sent to the Vatican Congregation for the Causes of Saints where it will be studied in order to decide whether or not it is recognized as a miracle through the intercession of Blessed Dina. Let us wait and continue to pray.

Blessings,
