Gospel Text: *“The Almighty works marvels for me” (Lk 1:49).*

MARY: Mary feels a sense of gratitude when she considers God’s greatness. She recognizes that His greatness, rooted in love, works wonders in her life and this fills her with joy.

GOD: ““My grace is all you need, for my power is greatest when you are weak”. I am most happy, then, to be proud of my weaknesses, in order to feel the protection of Christ's power over me” (2 Cor 12:9).

CLAUDINE: Claudine trusts God’s work in her. She knows that God works marvelous deeds. She knows that He is great and loving. “Take her and bring her back healed”. She trusts that the Almighty will do what Mary asks of Him.

OUR JM FAMILY: When we look back at the humble beginnings of our Congregation and when we look at it today, we see clearly that God has worked wonders for us. The same is true when we look with faith at our own life and our vocation.

GRACE: Seek the grace to recognize God’s powerful hand at work in your life and in the lives of those around you.

- I look up at the stars or the sky (or I imagine them) and I recognize God’s hand at work in creation.
- I look back over my life and my vocation to see God’s guiding and caring presence throughout.

ACTIVITY: While we marvel at the wonders of God, let us also be more aware of the injustice that is present in our world, our country, and our neighborhood.
